**ATTENTION:** use only original spare parts. Failure to comply with the above may compromise the safety of the device and the immediate forfeiture of the warranty.

| Position | Code    | Description                     | Where used | Advised parts |
|----------|---------|---------------------------------|------------|---------------|
| 001      | 6264560 | Boiler fixing bracket           |            |               |
| 002      | 6317601 | Sealed chamber rear panel       |            |               |
| 003      | 6229838 | Gasket for sealed chamber       |            |               |
| 004      | 5183728 | Rectang. expansion vessel 8 l.  |            |               |
| 005      | 6257531 | Air deflector                   |            |               |
| 006      | 5198210 | Main burner assembly            | MET        |               |
| 007      | 6235935 | Ignition-ionisation electrode   |            | A             |
| 008      | 6318520 | Smoke chamber assembly          |            |               |
| 009      | 6318740 | Combustion chamber rear insulat |            |               |
| 010      | 6318710 | Combustion chamber side insulat |            |               |
| 011      | 6174275 | Gas/Water heat exchanger        |            |               |
| 012      | 6231362 | NTC sensor                      |            | A             |
| 013      | 6318600 | Sealed chamber front panel      |            |               |
| 014      | 6225643 | Fan                             |            | A             |
| 015      | 6317900 | Combustion chamber front panel  |            |               |
| 016      | 6318730 | Combustion chamber side insulat |            |               |
| 017      | 6264863 | C.H. return pipe                |            |               |
| 018      | 6226412 | O-ring 3068                     |            |               |
| 019      | 6226601 | Spring for heat exchanger conne |            |               |
| 020      | 6227458 | Flowing pipe to C.H. system     |            |               |
| 021      | 6288210 | Sealed chamber side panel       |            |               |
| 022      | 6229837 | Gasket for sealed chamber       |            |               |
| 023      | 6146101 | Hydrometer                      |            |               |
| 024      | 6037510 | Water pressure switch           |            |               |
| 025      | 6226639 | Spring clip                     |            |               |
| 026      | 2030267 | Piracriten gasket Ø 30x17x2     |            |               |
| 027      | 6226628 | Hydrometer Fixing spring        |            |               |
| 028      | 6017405 | Flexible pipe M.F. 3/8" L=300   |            |               |
| 029      | 6226476 | ORing diam.15x2                 |            |               |
| 030      | 6226643 | Pipe fixing spring              |            |               |
| 031      | 2030226 | Gasket Ø 10,2x14,8x2            |            |               |
| 032      | 6243838 | Gas valve                       |            | A             |
| 033      | 2030249 | Gasket Ø 24x17x3                |            |               |
| 034      | 6195216 | Gas inlet pipe                  |            |               |
| 035      | 2030255 | Gasket Ø 12,5x18,5x3            |            |               |
| 036      | 6226638 | Divertor valve motor spring cli |            |               |
| 037      | 6317700 | Sealed chamber front panel      |            |               |
| 038      | 5192208 | Gasket for sealed chamber       |            |               |
| 039      | 6304480 | casing left/right side panel    |            |               |
| 040      | 6325030 | Casing front panel              |            |               |
| 041      | 6028621 | Air diaphragm Ø 79              |            |               |
| 042      | 6022004 | Copper washer Ø 6               |            |               |
| 043      | 6154402 | Main burner nozzle NP 130 natur | 25-30 MET  |               |
| 046      | 6120560 | Pump nipple 3/4"                |            |               |

|      |         |                                 |       |
|------|---------|---------------------------------|-------|
